Critical Issue	Organization Name	Grant Amount	Paid Amount	Project Title	Project Description
Behavioral Health	NOVA Treatment Center	\$12,500	\$12,500	Peer Support for Adult Residential Treatment Program	NOVA Treatment Community's mission is to help to empower individuals and families to experience a life without substance use, family turmoil and other problems that adversely affect their lives. Entering a behavioral health residential treatment facility (substance abuse that is often associated with mental health problems), whether for the first time or re-entering because of substance use relapse, there are questions and concerns about what to expect during treatment. NOVA's new project, "Peer Support for Adult Residential Treatment Program," will address problems associated with adults 'walking out' from residential treatment before completion of the program.
Behavioral Health	Youth for Christ	\$5,000	\$5,000	Dillon's House	Dillon's House works to create awareness and cure the epidemic of prescription drug use among youth. They partner with the Nebraska Poison Control Center and work with middle and high schools to educate and inform students and parents about the dangers of abusing prescription drugs.

Critical Issue	Organization Name	Grant Amount	Paid Amount	Project Title	Project Description
Domestic Abuse	Women’s Center for Advancement (WCA)	\$35,000		Matching Grant – Enhanced Advocacy	The Women's Center for Advancement (WCA) is the lead agency in Omaha working with domestic violence and sexual assault victims to address their critical needs resulting from violence. The WCA provides vital services to the Omaha community, including: a citywide hotline; one-on-one case management (advocacy); pro bono legal services; short-term mental health services and on-going support groups. The WCA has a multi-faceted approach to serving women affected by violence. The organization assists women on their journey of achieving personal well-being, providing them with the resources necessary to mitigate their immediate crisis and to make permanent changes in their lives -- helping them to Stay Safe and Grow Strong.
Early Childhood Education	Girls Inc. of Omaha	\$20,000	\$20,000	GIRLStart	The mission of Girls Inc. is to inspire all girls to be strong, smart and bold. The GIRLStart program inspires girls to be smart by assisting them to achieve a major educational milestone – reading at grade level by the end of third grade.

Critical Issue	Organization Name	Grant Amount	Paid Amount	Project Title	Project Description
Preparedness for Graduation	Omaha Street School	\$20,000	\$20,000	General Operating Support	The Omaha Street School (OSS) gives students a second, and usually last, chance to finish high school. This mission is fulfilled in a safe and secure setting, with a dedicated team of staff and volunteers who deliver individualized attention in key academic areas. Building healthy, trusting relationships is vital to success at OSS, and these are not created merely because a student enrolls. This grant was provided in support of their Future Focus Program, including both materials and the human capital to ensure its execution. The budget includes the purchase of online learning software, GED testing software, as well as the creation of the following curriculum: literacy, life skills, employability and service learning.

FOUNDATION

Critical Issue	Organization Name	Grant Amount	Paid Amount	Project Title	Project Description
Workforce Development	Avenue Scholars Foundation	\$50,000	\$50,000	Climbing the Career Pyramid	Avenue Scholars works with over 400 students to help them break the negative cycle between poverty and the lack of future employment. The program offers important operational components addressing key issues to improve school persistence and school completion rates and job placement relative to high-need students. Low-income students from Avenue Scholars' target population have lower educational attainment and fewer career opportunities, leading to lower employment rates and lower wages. The program's goal is to ultimately help students find and maintain rewarding employment at the end of their postsecondary education by providing intrusive support through goal setting, coaching and counseling.
